

RESOLUTION

Be It Hereby Resolved by the Members of Longtown Rural Water and Sewer District No. 1, of Pittsburg County, Oklahoma, being hereby assembled for the annual meeting of the general membership of said District, on the 2nd day of May, 2019, as follows:

1. That being informed of the issue existing between Rural Water District No. 20, The Town of Carlton Landing, which it serves and the Oklahoma Department of Environmental Quality concerning sewage affluent that has been allowed to flow into Lake Eufaula over an extended period of time, we wish to register our concern to correcting this problem; and
2. To express our concerns such overall detrimental effect such situation could cause by pollution of said lake and the threat such situation may pose to the health, safety and welfare of the affected inhabitants of the lake area and the users of the lake; and
3. In view of the public interest focused on this situation by The Concerned Citizens of Longtown and the efforts made by the above listed entities to rectify this threat to our collective public health and safety, the general membership of Longtown Rural Water and Sewer District No. 1, Pittsburg County, Oklahoma, wishes to express their support and appreciation for the efforts made by such entities to correct this situation and to express their support for the effort which continues to rectify the situation by those entities.

Said resolution was voted on by the general membership, present in open meeting on May 2, 2019, and passed by a majority of those members present and continues in force and effect from its passage and its distribution ordered by the Board of Directors of LRW&SD No.1, Pittsburg County, Oklahoma.
